

- 1) i love KLOVE radio and enjoy their programming just like it is.
- 2) there wouldnt be a good effect on KLOVE if it were to be displaced by a LPFM broadcaster providing other programming.
- 3) KLOVE radio needs to stay just like it is, as it is a blessing to many people and i personally listen to it and dont listen to any other radio stations at all. KLOVE is doing a wonderful job at being a possitive and encouraging radio station, pointing many people to the LORD and SAVIOUR JESUS CHRIST :) they are doing a wonderful job, let them broadcast just as they are.

thanks! :)
